## From Your President

### Greetings Tiger Alums!

Thank you for your continued support. Due to your generous contributions, we continue to be able to award sizeable scholarships to over ten graduates every year! Our Association has become something of a role model for other alumni associations. San Marino High Schools Alumni Association has been in contact with us for advice, as they are so impressed with the things that we have accomplished! Of course, the population we draw from has a LOT to do with our success.

Our Annual Meeting/Picnic is June 11 in Garfield Park. This year we are serving a free Hot Dog, Potato Chips and Soft Drink to all alumni while supplies last! It doesn't take any planning, just come on down to the park about 11 AM. It'll be great seeing you!

Mary Beth Harmon Finnerty '57

## From Your Editors

Bev Smith Willey '55  
Bill Peters '53

Many things to report this past year.

### Tiger Tales

First of all we apologize for being late with Tiger Tales. It grew to 108 pages but our time planning didn't grow accordingly. We'll do better this year.

### Directory

YES, we are publishing an all year directory and NO it is not a SCAM. Please read the article below and on Page 2.

### SPHSAA Web Site

Your Alumni Association now has it's own web site. You can see it at [www.sphsaa.org](http://www.sphsaa.org). Please check it out and check back from time to time to read special announcements and news which may be of interest to you.

### Renewal Letter

In January we mailed a letter to about 2300 of you who had been members but have not renewed lately. The results were fantastic and we thank you. Please remem-

ber that we do not usually mail out reminder letters. We tell you when it is time to renew on

your **address label**. PLEASE READ IT. For those of you who have never joined, please consider joining now. Our next letter will target you!

### Tales

There are more than 18,000 of you out there somewhere. Some of you have sent us your tales - most of you have not. Your friends and classmates are interested so send in something NOW. Why wait and forget? Keep us busy this summer reading and typing them all.

Please read the rest of this magazine. We're doing it for you. Let us know what you like and don't like.

Thanks for reading this far!  
You may contact us at:

## SPHSAA contracts for alumni directory

From **Tiger Tales**, Fall 2004 Issue

Your Alumni Association has contracted with Harris Publishing to produce an all year alumni directory at no cost to the association. One letter and two followup cards have been sent. If you have not called yet, Harris will be calling you soon.

Please be aware that you may choose not to be included in this directory. However, **you must advise the publisher** of your choice. That will not affect your inclusion in our database. We will not jeopardize your privacy if you wish your information withheld from the directory.

For almost four decades, Harris Publishing has been helping schools and associations leverage the power of alumni support. Harris has worked with high schools, school districts and alumni associations in California and throughout the country, building and enhancing alumni databases. Harris originated the concept of publishing alumni directories for educational institutions at no cost, initially focusing its efforts on the needs of colleges and universities. Harris later broadened its program to meet the growing needs of public high schools, their alumni associations and educational foundations.

To date, Harris has published directories for alumni of more than 1,800 public high schools nationwide.

Harris's extensive research process will hopefully find the current whereabouts of many of our LOST alumni. They will verify the information and collect additional information including, occupation/business, spouse, children's names and e-mail address. All of the updated information will be published, unless you opt out, in a first-rate alumni directory. By finding our lost alumni we hope to be able to increase our Association membership.

As of April 23rd, 2005, 5342 alumni have been validated by phone and 1615 directories have been purchased

At the conclusion of the project, SPHSAA will receive all of the updated information in a computerized form to enable us to update our current database. We also receive a commission on sales.

Alumni may purchase and reserve your copy of the directory when you call to validate your information. The directory will **not** be available for purchase after completion of the project and is not available to non-alumni.

For more information you may contact your Alumni Association at [tigertales@sphsaa.org](mailto:tigertales@sphsaa.org), or view the web site at [www.sphsaa.org](http://www.sphsaa.org)

# Your Alumni Association

**Your Alumni Association was formed in 1982 to provide five main functions for the alumni of South Pasadena High School.**

- 1. To promote, manage and award scholarship funds for deserving students.**

Please read the article at the top of the previous page.

- 2. To provide a channel of communication among SPHS, its graduates, students, and other persons interested in the welfare of the school.**

Two publications are printed and mailed each year:

*Tiger News* (this magazine) to inform all alumni of the activities of the Association and to inform of upcoming events.

*Tiger Tales* is a compilation of reunion reports, tales from alumni and obituaries of those who have passed on during the previous year.

*Web site* - a new medium to us to provide basic information about the Association, Class activities and news of events, past, present and coming. Check it out at [www.sphsaa.org](http://www.sphsaa.org).

- 3. To maintain a directory of SPHS graduates and to coordinate reunion activities.**

Our Master list of alumni contains over 18,000 names. The information maintained includes member number, class year, names, mailing addresses, email address, phone numbers and status of your membership in the Association. The information is used for mailing our publications and to provide class member lists to reunion committees.

This year we have undertaken to provide a hard bound directory of all known alumni. Please read the article on the previous page.

- 4. To preserve SPHS memorabilia.**

From time to time we receive various items from alumni or the families of deceased alumni. We work with the High school and the South Pasadena Public Library to determine an appropriate disposition of such items such as collection, display storage or disposal.

- 5. To cultivate the heritage and dignify the traditions of SPHS.**

We document, communicate, preserve or otherwise take actions which serve to fulfill this objective as seems appropriate.

## Annual alumni picnic, membership meeting and mini reunion to be held in Garfield Park on June 11<sup>th</sup>

The order of the day last year on June 5<sup>th</sup>, 2004 was food, friendship and a brief business meeting. The picnic was attended by a great group of people and the day was warm and bright. The Board held a brief member meeting where the nominated board of directors was elected to office for another year by members in

attendance. Members present also voted to proceed with the all year directory project.

This year we are planning to serve **free hot dogs, chips and a drink** to everyone while supplies last.

### What a deal!!

Donations will, of course, be accepted. We also are planning

some **entertainment** provided by current students and alumni.

**Where will you be in June? Why not join us and enjoy the fun on June 11<sup>th</sup> in Garfield Park, from 11 AM until 2 PM. Bring the kids - it's a great park for them.**

# Class of 1969 Reunion

**The Reunion Committee**

**Connie Santoro Sanders, Mary Bowers Silverstein, Carol Liu Kincheloe, Stefanie Clark Eskander, Justine Limpus Parish, Barbara Jahier Baccus, Cheryl Griffin Goldberg, Charlin Schweissinger Ryan**

**(Missing: Scott Borton, Peggy Buchanan, Connie Perkins Green)**

Plans for our 35 year reunion were nearly 2 years in the making. In the fall of 2002, Carole Liu Kincheloe met with Stefanie Clark Eskander, Barbara Jahier Baccus, and Justine Limpus, to begin plans for the reunion. Locations were scouted, research was begun, and classmates were located.

Over the next 2 years, a dynamic team of dedicated committee members handled everything from finances to lost classmates, to caterers, to decorations, to put together an enjoyable and practically perfect evening! Thank heaven for the internet, as it made it much easier to locate old friends, post information, and communicate.

Barbara Baccus chaired the committee, and we were amazed at her organizational skills and experience at dealing with the myriad of details involved with organizing the event. As chair of the 2002 Grand Reunion, she was experienced and enthusiastic, not to mention, exhausted!

**Justine Limpus Parish presents a plaque to Guest of Honor John Goddard**

Carole has had many years experience as an events planner, and she

lent us her vast knowledge of event coordination, as well as her financial support and expertise. Although Carole lives in Texas, she kept us all informed and updated on all of the details. A special thanks goes to her husband Jim who put together the reunion website.

Our appreciation goes to Scott Borton who initiated the special tribute to John Goddard. It was a memorable part of our evening, and we were so sorry that Scott was ill and unable to attend.

We would also like to thank Don Zeigler and his team, Doug & Sherry Brown, for handling the music and sound system for the reunion. We had a blast!

Most of all, we would like to thank YOU for your support! For those of you who weren't able to attend, we are so sorry that we missed you!

Start planning now to attend our 40 year reunion! For those who did attend, we couldn't have

**Anne Matyas Meeker, John Markytan, Peggy Buchanan, Dave Anderson, Kitty Harrison Peterson, Bill Essetier**

done it without you! As time passes, our relationships are more cherished, and memories seem more significant than ever. Our memories of names and faces might be a little foggy, and we might look quite different now than we did in our senior photos, but the years melt away as we renew those old friendships and reminisce about our years in So. Pas.

**Stefanie Clark Eskander  
Memory Book Designer**

## A note regarding "In Memoriam"

During the past year we have been making substantial corrections and updates to our master database of alumni. Current information comes from other alumni, families or newspaper articles. Additional information comes from reunion committees which have provided us with updated lists

of their class members. Where you see a large group of alumni listed for one year the information is probably from a reunion list.

Please keep us informed with any new information you learn. We would like to know the date of death and have copies of obituaries and pictures if available. Obituaries and pictures will be published in *Tiger Tales* each fall.

## Thank you Tigers for the great response to our renewal letter.

We mailed 2300 letters to previous but not current members. To date we have received almost 500 renewals. Where are the rest of you Tigers who haven't renewed? Did we do something wrong? We've lost you and want you back into our membership. Please consider renewing today.

## Editor goofed again!

I completely left the reunion report for the Class of 1969 out of Tiger Tales last fall. We had the information on time but somehow or other just overlooked it.

Here it is Class of 69 - on page 5. We are certainly glad you had a great time and thanks for not beating me up too seriously.
