TIGER NEWS SPRING 2015

The Official Newsletter of the South Pasadena High School Alumni Association

*Just like the Alumni Association is your own organization, Tiger News is **your own** publication, letting you know what's been happening throughout the year. There's a little something here for everybody.*

Tigers by the Numbers – and our numbers keep growing all the time, since the first graduating class of **6** seniors in 1907. We added over **350** to our rolls in 2014 and will do the same this year. That will bring the total number of students who have walked our halls to nearly **27,800** and some **18,000** we are still in touch with, one way or another. With **108** different class rosters populating our website, *www.SPHSAA.org,* **5050** Tigers are logged in and registered there, at this printing; **575** who have joined our Facebook page, *South Pasadena High School Alumni Association*. That's not counting all those particpating in individual class reunion groups and some of the many other SP-related Facebook pages:

- *SPHS. Remember When We Used To ???*
- *South Pasadena High Tiger Football (Past, Present & Future Players)*
- *Tigers Reunion*
- *So Pas Tigers Gatherings & More*
- *Friends of the Rialto*

where they're posting stories, photos, memories and enough *Tiger Spirit* to fill Roosevelt Field for years to come.

Currently, we have only **1575** dues-paying members of SPHSAA supporting not only the daily operation of this tax exempt 501(c)(3) organization, with many of them also contributing to the scholarship funds on which it was founded in 1982. That number should rise from the renewal notices going out with this publication. Check your membership status on the top line of your mailing label. We're counting on you!

What else is new?

This year sees the addition of **two scholarships** to be awarded to our SPHS Class of 2015 Seniors – one in memory of **Richard Elliott '65** and the other a permanent, annual grant honoring **Karen Kincel '75** for students of Creative Writing.

You may wish to make a special donation the way **Madalynne Coleman Wardlow '41** did in giving as many dollars for a 92nd birthday tribute to fellow classmate, former SP mayor and SPHSAA Historian, **Fletcher Swan '41**. How cool is that, to surprise a Tiger friend or family with their name in print as a **birthday shout-out** on our annual Donations page?!

Can you spare the price of a grande latte or a one-topping pizza each month? Use our new *Set-It-and-Forget-It* option for a self-renewing, **Sustaining Donation**. To donate online, check the *make this recurring* option to designate an amount paid from your PayPal or credit card account. Or set up your online banking with an SPHSAA account to budget a schedule of checks mailed to us regularly. Better yet, contact your HR department at work to make use of their charitable matching funds. You can also dictate how it's to be used against operating expenses or a particular scholarship fund and in whose memory. Our gratitude knows no bounds!

Choose from all kinds of SPHSAA **Tiger T-shirts**, sweatshirts, shorts, pants and kids' clothes, plus mugs, water bottles, and backpacks at our new online Alumni Association Store. With all the different styles, colors and sizes available in four different designs, there's something for just about everybody. Think holidays, birthdays, reunions & graduation gifts! Show us your *Tiger Spirit* at the **photo shoot** at this year's picnic! All proceeds from the Alumni Store benefit the SPHSAA scholarship fund.

As they say on the phone, listen carefully because our **menu has changed**. See how we've reorganized *www.SPHSAA.org* with related pages and links under headings that simplify navigation on the website, explained in the graphic site map here on page 15.

Thanks for sharing!

Tiger Spirit is more than just following your classmates and generations of alumni families through our website and all the various South Pas related social media sites. It's more than picnics, reunions, and poring over old yearbooks. Even more than Association memberships, generous donations and scholarships, or the *Tiger Tales* stories and pictures, or the in-depth school history and community features and photos. It's also sharing your hands-on experience, developing your talents by volunteering to help with reunions, events and the few board meetings it takes to orchestrate this incredible home-grown, grass roots organization. More than anything, we need your *Tiger Spirit*! Contact Mary Gill Smith '61 at *president-sphsaa@sphsaa.org* or (626) 483-5415.

President's Letter/Editor's Note

I hardly know where to start, there's been so much going on here at SPHSAA.

Spring Cleaning! Every year when we shift the boxes in our storage unit and haul out all the picnic supplies, I tell myself we need to get better organized. The same with all the Alumni Association paperwork that accumulates. Help! Sometimes I just shake my head and mail it up to **Donna Hoegeman Wheeler '66**, our secretary up in Oregon. She's not only my right hand but also our whole back office and the shoulder I lean on when I can't think what to do next. Donna has worked her tail off to collect and preserve Copas, verify class lists, locate missing persons and put our fallen Tigers in their final resting places on the *In Memory* pages. This issue's inflated numbers of the early years' deceased reflect not an increase in mortality but Donna's dedication to the accuracy and completeness of our alumni records - no Tigers neglected or forgotten on our watch.

Our board meetings have moved! Many thanks to **Joanne Lindsey Dickson '61**, generously offering her magnificent South Pas home and grounds for use by many of the SPHS class reunions, now also hosts our near-monthly Board of Directors meetings. What are you doing on the third Thursdays at 7 pm? If you're not close enough to stop in for an hour or two, there are unlimited seats on the board and committees to attend by phone, dialing in by free conference call.

New date for our picnic! We usually schedule the annual all-years alumni picnic and members' meeting for the Saturday following the high school graduation, which often conflicts with people's Fathers' Day plans. This year that should not be an issue since we were unable to reserve that date with the city's Parks Department and have moved it up one week to just *before* Class of 2015's graduation. We welcome this year's seniors in anticipation of their new alumni status and also hope that the earlier date will enable others to attend who couldn't before. See you all there!

The Beat Goes On! While I'm in full production mode getting these pages ready for publication, all the while updating the mailing list, I'm also putting together the agenda for the next Board of Directors meeting. We'll be reviewing everyone's tasks for picnic prep and beating the bushes for volunteers to help get it off the ground, run the show and clean it all up afterwards. We'll talk about this year's scholarships and all the upcoming reunions, how to help the classes that haven't quite got theirs together yet. Thinking about involving a handful of SPHS seniors and reaching out to the ever-younger alumni. Is it my imagination, looking out over the Middle School athletic fields – are the kids getting smaller every year? With the few remaining brain cells held in reserve, I'm ruminating on the next big *Tiger Tales* issue for Fall. Lots to say, lots to do. As Donna reminds me, when all else fails, there's still chocolate!

TIGER TALES – Tolled and Retold

Tiger Tales Fall 2014 was one of the most sought after issues to date. Many non-members, reading a friend's, called or wrote to request one. Others back-dated their expired memberships. Some purchased extra copies for friends and family. It was exciting to see the response and gratifying to the writers when classmates were prompted to share similar thoughts and experiences. A goal of any publication, like an artist's work, is to make an emotional connection and trigger meaningful discussion. In that sense, the Tales *tolled* – rang a bell, called us to attention and celebrated our common experience. Below are brief synopses of the 2014 feature articles and some of comments received.

South Pasadena High School 100 Years Ago …1914, the second installment of an ongoing series showcasing the evolution of our campus culture and traditions of the time, highlighting memorable faculty and students, including some whose progeny became SP Tigers in their own right. Illustrated with period photographs from the year's Copa.

I Never Thought It Could Happen Here by **Jim Tranquada '75**, Director of Communications for Occidental College, recalled a number of local and national incidents brought to the fore by the high school's August 2014, near-shooting disaster skillfully averted, leaving the community reeling in shock and disbelief. That we continue to be surprised and have not become immune to these happenings speaks volumes about "how privileged we were to have grown up in an idyllic small town."

South Pas Tiger to F-104 Starfighter by **Roscoe Diehl '52** chronicled his exciting post-Korean War life-long career as test pilot and flight instructor for the U.S. Air Force's F-104 Starfighter as it later went into use throughout the world.

South Pasadena's Multiracial Manifest Destiny by **Félix Gutiérrez '61**, a professor Emeritas of Journalism at USC, looked at South Pasadena's past and present in the piece describing the deep *Californio* roots of our community and his family. He shared some of what he experienced and learned as a Mexican American teenager in South Pasadena before the city and schools were as richly multi-cultural and multiracial as they are today.

The Thurnhers of Lacy Park with **Oskar Thurnher '46**. Most of us know Lacy Park, the sylvan delight in the heart of San Marino. For many it has been a playground, an adventure, an education, a retreat. The broad lawns, the specimen trees, the ponds, the paths, the swings, the roses all host fond memories – or their promise. Fewer know that Lacy Park was once a lake, a swimming hole and the special province of a special SP-SMHS family.

Spreading Tiger Cheer, One Class at a Time traced the history of yell and cheer squads from the first appearance in the 1925 Copa through the 1980s. From stories and impressions submitted by 23 of the spirit leaders themselves, while the many Copa photographs revealed the evolution of the style of their uniforms and routines. Their trials, tryouts and training, candid anecdotes and testimonials tell how that experience shaped their lives and friendships.

Letters and Emails

"The Fall *2014 Tiger Tales* is spectacular and may I add, 'very classy'." **Rosalie Bell Patcha '55**, San Juan Capistrano, CA

"Tiger Tales – a GREAT publication!!! Keep up the good work!" **Don Howell '49**, LaVerne, CA

"I always enjoy *Tiger Tales* – especially the 2014 issue about past cheerleaders. I was one of the 1942 cheerleaders." **Janice Rosenburg Norton '42**, Mission Viejo, CA

"So enjoyed the last issue of *Tiger Tales*. So interesting about Lacy Park and Mr Hertrich. My aunt, Leona Ide was a good friend of his. My mother loved Erna Thurnher's flowers, as I did, getting a bouquet of peonies from a special friend during spring break." **Donna Hoffman Lehman '53**, Denver, CO

"Congratulations on producing an excellent publication. This was one of the best *Tiger Tales* ever! Good stuff." **Steve Ledder '60**, Fallbrook, CA.

"Loved the fall *Tiger Tales*, you did a great job, as always. I enjoyed the article on the cheer squads, but you missed one area and that is the mascots. My sister was a mascot and they too had to try out, go to practice, went to all the events AND had to supply their own 'costume.' I remember my mom spending an entire summer with my sister trying to figure out how to make a comfortable 'Tiger Head.' It would have been interesting to hear when mascots showed up on the sidelines. I would like to give *Tiger Tales* to my brother and sister for Christmas, so I will send that in today…Thank you for all you do." **Claire O'Connell Cahill '74**, Redmond, WA

"I think you have out done yourselves with the Fall *Tiger Tales*!…My best friend in SPHS is **Gordon Harper '58** whose father, Lawrence Harper, was superintendent after the tragic shooting you mentioned. I lived on El Cerrito Circle above the gym field and remember my mother explaining the event to me. ….Thanks again for your efforts and those of the Alumni Association staff!" **Fred Wagner '58**, Las Vegas, NV

"I also thought the last issue of *Tiger Tales* was truly great. Liked the new variety and all the input. I remember being a sophomore and participating when we painted that famous Tiger backdrop -- a jillion years ago. Went on to be on both Tiger and Copa Staffs - great times." **Nancy Banta Corrigan '53**, Prescott, AZ

SCHOLARSHIPS

One of the major objectives of the South Pasadena High School Alumni Association is to award scholarships to qualified graduates each year. Scholarship applicants must be planning to attend a community college, four-year college or university, nursing, trade or technical school to obtain training in a trade or a Bachelors Degree.

Scholarships are awarded on the basis of: Financial need, Scholastic Record, School Extra-Curricular Activities, Community Service and Work Experience. Applicants will also participate in an oral interview with the Alumni Association Scholarship Committee.

Your Alumni Association has awarded $511,450 to 241 graduates of South Pasadena High School over the years. The scholarship winners each year are listed in *Tiger Tales*, *Tiger News* and on the SPHSAA website. In addition, each recipient is given a one-year membership in the Alumni Association.

The high school's last Tiger Newspaper of the school year lists all the graduates, where they are going to college and what they want to major in. The school newspaper is one of the links on our website.

For more information about the South Pasadena High School Alumni Association scholarship program go to:

www.sphsaa.org

Or contact Bill Kloezeman at:
626-799-5012 / scholarships-sphsaa@sphsaa.org

All donations to the scholarship funds are tax -deductible as allowed by law.

The SPHSAA Endowment Fund

We urge you to consider including the SPHSAA Scholarship Endowment Fund as part of your estate planning. The Endowment Fund is a wonderful opportunity to give back to the High School, creating a perpetual source of scholarships that will help deserving SPHS seniors afford to attend college.

You can be assured that your gifts to the Endowment Fund will benefit our recent graduates for many years. All contributions will be maintained in perpetuity, and only the income generated from these assets will be used to fund the Alumni Association's annual scholarship awards.

Founded in 2012 by generous gifts from the late **Keith L. Stiles '44** and an anonymous donor, the Endowment Fund presently has assets totaling $38,695 with the recent addition of $10,000 from **David Mgrublian '78**. Our goal is to build the Fund so that it will be self-sustaining as the primary source of SPHSAA's annual scholarship awards.

This Endowment Fund offers our members and other SPHS alums the opportunity to make gifts of cash, stocks and bonds, real estate, tangible personal property, life insurance, charitable trusts, and retirement accounts that will benefit students far into the future.

Please contact SPHSAA Board Vice President **Michael Thurman '75** at

membership-sphsaa@sphsaa.org

if you have any questions and or wish to participate in the Endowment Fund.

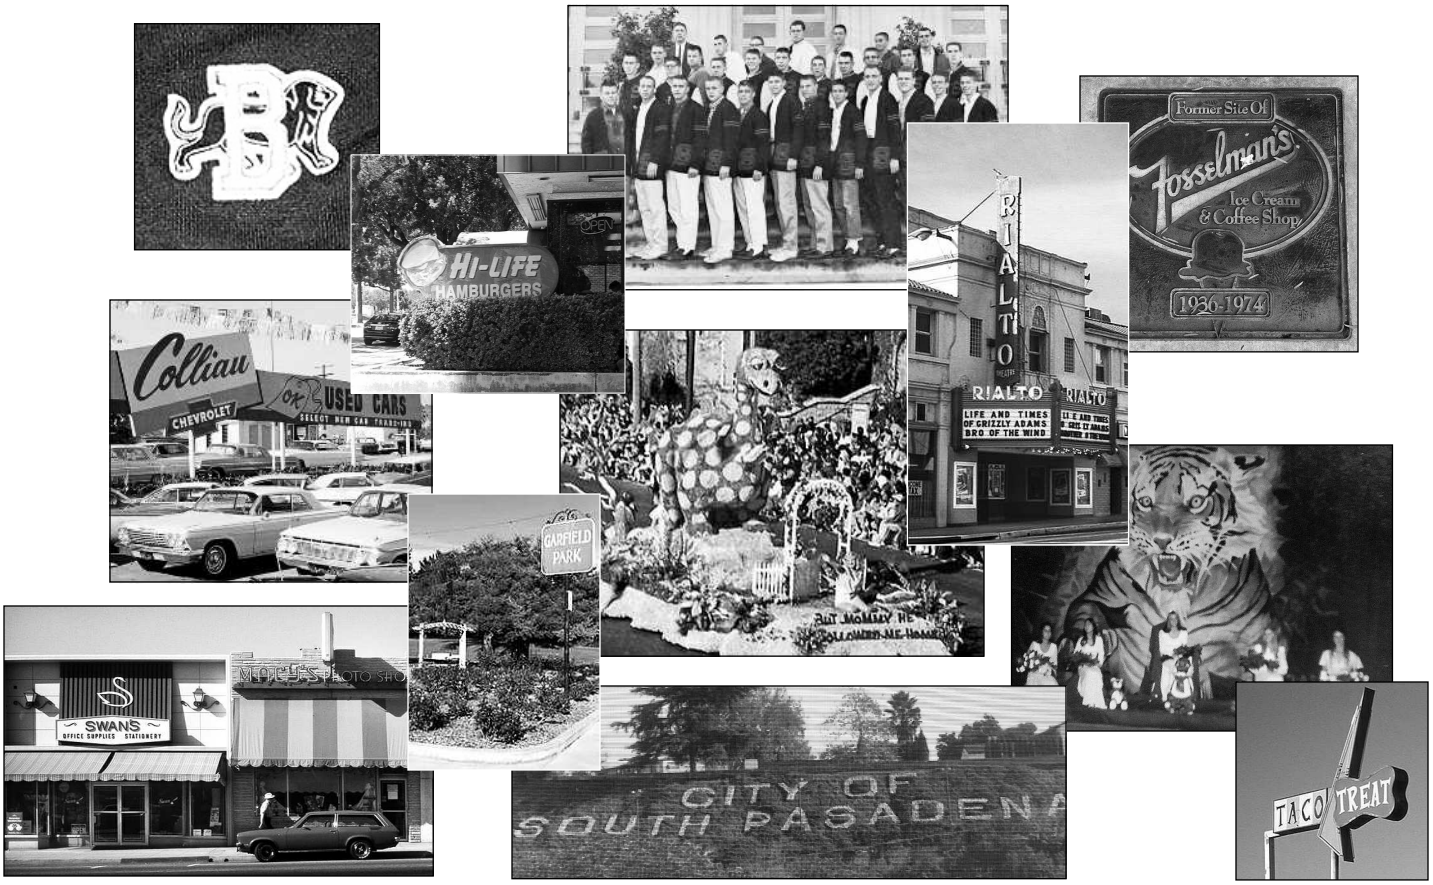
LOOKING AHEAD TO FUTURE *TIGER TALES*, our big Fall members' magazine, we're considering a number of possible topics for feature articles that tap into the vast pool of alumni memory and experience. Using the survey form included with the issue or posted on our *www.SPHSAA.org* website, tell us what you remember being part of in high school or would be interested in reading about. We'll contact you with more information about sharing your stories or being a contributor or cub reporter on our publications staff.



Donations

Donations of any amount may be made to SPHSAA either "As Needed" which is used for general operational costs, publications, the annual picnic, etc., or to the Scholarship fund. Scholarship donations may be made to specific scholarships (Albert Adams, James Fosselman, Harold Hartsough, Karen Kincel or Maggie Veir) or to the General SPHSAA Scholarship fund.

Set it and forget it - become a ***Sustaining Donor*** using website's *Donate* button for PayPal or credit card above and checking the box "Make this Recurring (Monthly)" designating any amount of $5 or more. Sustaining donations may also be made as repeating payments through your *online banking* bill paying application. Employers can set up regular payroll deductions and may also give matching funds!

Any donation may also be made "*In Memory*" of deceased SPHS alumni or faculty. Listed below are those donors who contributed $50 or more to any of the above-mentioned funds during the period of March 1, 2014 to February 28, 2015. We thank **all** of our donors for their generous support.

It was no mistake that our school chose the Tiger, ***Panthera tigris***, the largest cat species, as its mascot. But over the last century 93% of its habitat has been lost and 3 subspecies have become extinct. Once again we wish to draw attention to the plight of our beloved Tigers in the wild by associating each of the remaining 6 subspecies with the six special categories of giving, although any one tiger, however rare, is no less or more valuable than the others.

PLATINUM - $5000 or More

Panthera tigris sumatae, the Sumatran tiger, is the smallest of all living subspecies.

David Mgrublian '78

GOLD - $1000 to $4999

Panthera tigris amoyensis, the South China tiger, is the most endangered with only 59 known.

Michael Glass '53

Jack Going '54

SILVER - $500 to $999

Panthera tigris jacksoni, the Malayan tiger, was only recognized as a subspecies in 2004. It is the second smallest of the living subspecies.

SUSTAINING DONORS

Panthera tigris balica, the Bali tiger, ***Panthera tigris virgata,*** the Caspian, Hycanian or Turan tiger, and ***Panthera tigris sondaica***, the Javan tiger, are now considered extinct but not to be forgotten.

THANK YOU!

Filling the Alumni Association coffers is an ongoing struggle. Even as we tighten our belts with cost-cutting changes to our publications, bearing in mind that SPHSAA is an all-volunteer operation with no salaried employees or paid consultants, our overhead continues to rise. And not surprisingly, SPHS Seniors continue to graduate, aspiring to attend fine institutions of higher learning that also keep raising their fees and tuition. So to all of you who have contributed this year, continuing to send in your tax-deductible donations to SPHSAA, and for all the scholarships awarded to our ***SPHS tigris*** graduates, we shout a big “**Thank you!**”

Donate Your Copa

Over two years ago the request went out asking for Copas to be donated to the SPHSAA to complete our needed three sets of *Copa de Oros* for our archives. During that time many of you generously mailed or hand-delivered your own Copas or those of a family member no longer with us. Copas hold special memories and are often hard to let go of and while few alumni are willing to give up their Copa from their senior year, we received several Copas from many who parted with the Copas from their freshman, sophomore, or junior years. We are grateful to alumni and faculty who have donated Copas.

There are 105 years of Copas and the Association is currently in possession of at least one Copa each, from 92 of those years and complete sets of 35 of those years. While we do not yet have all of those that we need, we will be happy to accept any donated Copas, regardless of the year, to complete the three sets. Listed here are the years for which we do not yet have any Copas.

1909	**1925**	**1990**	**2002**
1910		**1993**	**2006**
1911	**1970**	**1996**	
1912	**1971**	**1999**	

We’ve also received requests from alumni looking for Copas to replace those that have been lost due to various reasons over the years. We have started a waiting list of alumni seeking replacements; when we receive an excess number of three per year, we will sell the extra copies (price to be determined) based on the waiting lists.

You may donate your Copas by sending to:

SPHSAA – Copas
PO Box 1219
South Pasadena, CA 91031-1219

For additional information or to ask to have your name placed on a waiting list, contact Donna Hoegeman Wheeler ’66 at *donna-wheeler@sphsaa.org*

Letters (Continued from page 3)

"Thanks for the outstanding *Tiger Tales* issue. Good class coverage and the feature on Song/Cheer/Yell leaders was great, as well as the feature on the Thurnhers. Sad to note the classmates who have left us in the last year or so but so interesting to read about their accomplishments and lives well lived. Appreciate your time and commitment to our Alumni Association." **Alice Eckels Platon '49**, Culver City, CA

"I wanted to let you know how much I *thoroughly* enjoyed the current issue of *Tiger Tales*, and why. I thought the article, *The Thurnhers of Lacey Park* was really interesting. I love history, but even more so when I'm familiar with its current rendition. Ditto with respect to Felix Gutierrez's poignant and well written article, *Multiracial Manifest Destiny*, and its particularly interesting explanation about the El Adobe Flores House. I too lived in that part of the city-also on Milan Street (at the SE corner of Oak). For many years I went by that house, not knowing anything about its amazing history, but always thinking what an interesting and distinctive looking place it was. I've written Felix and told him this. Then there were also the two quotes you somehow obtained from my brother **Steven Kronenberg '67**, which were included in the Cheerleading retrospective. He's been living in Italy for a long time, seldom visits here, and rarely communicates with me. Hence I was surprised you found him and that he communicated with SPHSAA. Thank you for all you do. Keep up the good work. It's most appreciated." **Don Kronenberg, '70**, Seattle, WA

"My twin brother, **James Ukropina '55**, (Stanford and USC graduate) sent me *Tiger Tales*. Emailing to tell you how much I liked your article. So glad the Alumni Association staff pursued it. My mother, who was of an immigrant family in Fresno, raised us to be very respectful of Mexicans. That has followed me through my professional life. She was raised on a farm with Mexican labor she liked very much. We also suffered taunts as Slavs with funny names. Sometimes, I think our challenging childhoods this way made us stronger. Loved your comments about the social structures in which we grew up...the all white model home-life kids the likes of those in *Father Knows Best* and *Lassie Come Home*. My twin brother became Student Body President at South Pas and I, Girl's League President. We both ended up at Stanford. My father, an immigrant at 16, had a company that built many of the freeways and pipelines in California. His name was Bob Ukropina. Several other of our Serb families sent children to Stanford and held leadership positions at South Pas. My brother, **John Ukropina '41**, taught math there in his later career after contracting. His daughter, Marsha Aquirre (yes, her husband is Mexican) was honored as Principal of the Year twice when she served at South Pas Middle School. (While I was in grad school at the University of Colorado I did some work for a professor involved with La Raza.) Have been working most recently with a Native American culture on the Western Slope of Colorado, as well as reading several books this summer on their history and "manifest destiny" issues. I applaud the publisher for including your article." **Jo-an Ukropina Barnett '55,** Delta, CO
